1. Mission. The 324th Intelligence Squadron (IS) supports and performs the mission of the Kuna Regional Signals Intelligence Operations Center (KRSOC). The KRSOC mission provides intelligence information in response to national, theater, and tactical mission requirements.

1.1. Processes and provides time-critical intelligence for the US Commander-in-Chief, Pacific, and all subordinate units throughout the theater, as well as national command authorities.

1.2. Provides sensitive advisory support communications to operationally-tasked US aircraft.

2. Command. The Commander, 324 IS (324 IS/CC):

2.1. Is responsible to the Commander, 692d Intelligence Group.

2.2. Is the senior US Air Force leader in the triservice KRSOC.

3. Responsibilities. The 324 IS/CC:

3.1. Exercises command and control over all personnel and resources assigned to the 324 IS.

3.2. Provides the Air Force perspective for the KRSOC as it interacts with and supports US Space Command; HQ Pacific Air Forces; Pacific Fleet; National Cryptologic, Pacific; US Army, Pacific; Joint Intelligence Center, Pacific; Naval Security Group Activity, 703d Military Intelligence Brigade, and the National Security Agency.

- 3.3. Ensures personnel are trained and equipped to accomplish the joint mission of the KRSOC.
